

**SPONSORSHIP**  
Of the  
**2006 STRUCTURES CONGRESS**  
**St. Louis, Missouri**  
**May 17 – 20, 2006**

**To friends of SEI/ASCE:** The success and attendee's enjoyment of the 2006 Structures Congress is dependent upon the St. Louis and Midwest structural engineering community taking the lead. This leadership can be demonstrated in several ways and at many financial levels but we have tailored a **special** package for firms that utilize or provide structural engineering services. This package is a combination of a corporate registration (which will allow several of your employees to attend the sessions) and a general sponsorship that will be recognized by appropriate signage during the Congress, on the Congress website, and in the Final Congress Program.

We have set five levels of Sponsorships:

**Platinum Sponsor:     \$10,000 and above**

- ❖ A special Corporate Registration package consisting of:
  - 1 Full Registration to the Congress
  - 8 Session-Only Attendance Registrations
  - 3 Copies of the Congress Proceedings
- ❖ 8 Tickets to the SEI Awards Luncheon
- ❖ Invitation to SEI President's Reception
- ❖ Company's name and logo in preliminary and final conference programs
- ❖ Company's name and logo in the Proceedings signifying your company as a sponsor
- ❖ Company name and logo on the official congress web-site
- ❖ Hot-Link from congress web site to company's home page

**Gold Sponsor:             \$ 5,000 - \$ 9,999**
