

Rules and Regulations

CANCELLATION: The Exhibitor specifically recognizes and agrees that ASCE will sustain losses in the event the Exhibitor fails to provide timely written notice of cancellation (by certified mail). In keeping with industry practice, the existence of such practice being hereby acknowledged by the Exhibitor, and because such losses cannot be precisely measured but include the costs associated with the inability to replace those canceling, advertising, credibility, redesigning of floor space, and the like, the Exhibitor agrees upon the following late cancellation assessment schedule as being in the nature of liquidated damages, which schedule is specifically designed to compensate ASCE for its losses and not constitute a penalty, should the Exhibitor fail to provide timely written notice, by certified mail, of cancellation of all or any part of its assigned booth space.

CANCELLATION DURING THE PERIOD OF ASSESSMENT: Based on the event start date, Tuesday, July 22, 2008, the following will apply:

- 90 days or more prior to event start date - 0%
- 60 to 89 days prior to event start date - 50%
- Less than 30 days prior to event start date - 100%

Cancellations will be accepted only in accordance with the above schedule. There will be no refunds for cancellations received less than 120 days prior to event start date and failure to make full payment of deposit on exhibit space rental fee 120 days prior to event start date on a Contract filed prior to, or on, that date will subject Exhibitor to Cancellation of Contract by ASCE, forfeiture of deposit made and liability for balance due. If booth space is not occupied by 4:00 pm on the day before the event start date ASCE shall have the right to use the space. Reselling by ASCE of an Exhibitor's canceled space shall not act to excuse Exhibitor from assessment.

EXHIBIT HOURS: Exhibit hours, subject to change by ASCE, are published in the preliminary program.

Such indemnification shall not be limited to insurance required herein. ASCE, its agents and employees and ASCE will not be liable for failure to hold the Exhibits as scheduled. Payments for booth space will be returned in that event except that any actual expense incurred in the connection with the Exhibits will be deducted if the Exhibits are called off because of fire, or any act of God, or the public enemy, or strike, or terrorism, or war declared or undeclared, or epidemic, or any law or regulation of public authority or any other act beyond the control of ASCE, which makes it impossible or impracticable to hold the Exhibition.

ASCE will not provide security guard service for this meeting. ASCE is not responsible for loss or theft of any kind.

It is expressly understood and agreed by applicant that the Rules and Regulations of the Exhibit as issued or amended by ASCE are hereby made an integral part of the Contract and of the agreement between Applicant and ASCE for this reference and to the same extent and effect as if said Rules and Regulations were set forth in full in the contract.

Maximizing Performance of our Pipeline Infrastructure

ASCE International Pipelines Conference 2008

Exhibitor Prospectus Omni Hotel at CNN Center Atlanta, Georgia July 22 - 24, 2008

DEAR PROSPECTIVE INTERNATIONAL PIPELINES CONFERENCE 2008 EXHIBITOR:

The ASCE - International Pipeline Conference 2008 is scheduled to be held July 22-24, 2008 at the Omni Hotel – CNN Center in downtown Atlanta Ga. The theme of this year’s conference is **“Pipeline Asset Management: Maximizing Performance of our Pipeline Infrastructure.”** We invite you to exhibit at this top-notch conference by reserving space today as detailed at the bottom of this page.

Why should you exhibit at this conference?

- Attendee list that includes top level owners, engineers, specifiers, researchers, contractors, manufacturers and suppliers.
- Excellent technical program draws key people.
- Attendees are focused on areas such as asset management, pipeline rehabilitation, risk management, safety, pipeline engineering and construction, pipe materials, corrosion protection, pipeline regulations and case histories to name a few. Most likely your products or services would offer solutions in one or more of these areas.
- Pipeline Conference has a great track history and, in my opinion, is one of the best ongoing conferences I have participated in my 27 years in the construction materials industry.
- Excellent venue to display and demonstrate your product and services to the right people. Plenty of networking opportunities and time to catch up with your friends.
- If you are involved with or part of the pipeline industry we suggest that exhibiting at this annual conference is a good business move. This conference typically “sells out” so we encourage you to act quickly to assure your company’s participation.

Additional Exhibitor information including how to reserve a space follows below. If you have any questions, I can be reached at rmielke@nwpipe.com.
