- 1) Any currently enrolled junior or senior civil engineering student at an ABET-accredited institution who will be registered as an undergraduate in fall 2008, is a United States citizen, an ASCE Society Student Member in good standing, and has a passion for bridges may apply for this scholarship. Must be a member in good standing at the time of application and award. Membership applications may be submitted with scholarship application.
- 2) Scholarships may be awarded only to those students who will employ them to continue their formal undergraduate education at a recognized educational institution.
- 3) Selection is based on appraisal of the applicant's award justification, stated interest in bridge design and construction, educational plan, academic performance and standing, development potential, leadership capacity, and financial need.

**Applications must include:**

- Completed application form.
- Personal statement (500 to 1,000 words) addressing why the award should be given to the applicant and plans for continuing formal education.
- Personal statement (500 to 1,000 words) addressing the applicant's interest in bridge design or construction.
- Detailed financial plan. Document the extent of financial need by indicating expenses and income from all sources. Expenses shall include, but not be limited to: tuition, fees, books, living expenses (rent/mortgage, meals, utilities) and miscellaneous expenses (commuting costs, car payments, insurance, previous loan balances). Income shall include but not be limited to salaries and wages from employment, grants and loans, all family support, and military stipend.
- Minimum of two sealed letters of recommendation from faculty members.
- One sealed official transcript for each school attended.
- One-page resumé. Include honors, activities, organizations, ASCE activities (including any offices held), and any work experience.
- Any additional information/documentation that would support the applicant's interest in bridges.

**Procedure:**

One **complete** application package containing one original of all items listed above must be **received** by ASCE Student Services by February 9, 2008. **All items must be collected by the applicant and sent to ASCE Student Services as one complete application package.** Application packages missing any of the above items will not be considered.

**Award:**

One applicant may be selected for award, which is in the range of \$3,000. Scholarship funds are to be used for tuition expenses and will be disbursed in the 2008 fall term. Recipient will be eligible to interview for an internship opportunity by the Figg Engineering Group.
