

PDH FORM

Professional Development Hours (PDH) – a recognized unit of record in non-credit professional development programs – can be earned for participation in technical sessions at this conference. If you registered for the conference and attended selected sessions below, you have earned Professional Development Hours. For your records, use this convenient form to keep track of which activities you completed and the amount of credit earned.

Instructions: Check off each session you attended and write in the number of PDH credits you earned for each day. Remember that 1 PDH is equal to 1 contact hour (nominal) of instruction or presentation, rounded down to the nearest half-hour.
