

**Poster Guidelines**  
**2009 Electrical Transmission and Substation Structures Conference**  
**Fort Worth, TX**

**Rules and Regulations**

- Each poster should include a topic/title across the top. The Font Size should be at least 18 point, in bold printing to be seen easily.
- Each poster should be about 48" by 96" (small variations in size are acceptable).
- Underneath the topic/title, authors' names, job title/position, company/school, postal addresses, and e-mail addresses should be listed in 16 point type minimum size.
- The text information should be in at least 16 point type.
- The poster must NOT be a commercial/product sales poster. Any poster that is deemed to be a commercial advertisement will be removed from the Conference as unacceptable. The judgment of the Conference Chair will be final.
- Specific times and locations for Poster set-up and take down will be forwarded to you as the information becomes available. Please note that all materials left in the poster area after the specific take-down period will be discarded.
- Individuals presenting posters are considered Speakers at the Congress and are eligible for the registration rates for Speakers. All Speakers at the Congress are expected to register.

**Poster Paper for Proceedings**

- You have the option to submit a paper for inclusion in the proceedings under the poster tab.
- Follow the same guidelines for paper submissions. All the same paper guidelines apply. The draft paper is due February 17, 2009. It will be reviewed by the editors and the Final paper must be uploaded into the paper management system by June 30, 2009.
