

**Guidelines for Poster Presentations at the
Hydraulic Measurements & Experimental Methods 2007 Conference and
Exposition**

Congratulations on your acceptance to make a poster presentation at HMEM 2007! This is an excellent opportunity for you to share knowledge and information with your colleagues.

General Information

- A detailed schedule for set-up and take-down will be provided to all authors by August 6, 2007.

- Materials Provided by EWRI of ASCE
 - 4-foot by 8-foot standing corkboard
 - Tacks

- Materials You are Encouraged to Bring
 - Posters
 - Additional Handouts
 - Business Cards

- Additional Materials that can be Rented for a Fee
 - Tables
 - Electrical Power
 - Lighting

Rules and Regulations

- Each poster should include a topic/title across the top. The Font Size should be 18 point, in bold printing to be seen easily.

- Underneath the topic/title, authors' names, job title/position, company/school, postal addresses, and e-mail addresses should be listed in 16 point type.

- The text information should be in 16 point type.

- The poster must NOT be a commercial/product sales poster. Any poster that is deemed to be a commercial advertisement will be removed from the Conference as unacceptable.

- Specific times and locations for Poster set-up and take down will be forwarded to you as the information becomes available. Please note that anything left in the poster area after the specific take-down period will be discarded. EWRI staff will not be responsible for your Poster.

- To be accepted to the HMEM 2007 Conference, poster topic title, authors, and complete contact information including e-mail address must be sent to the program Track Coordinators with copy to EWRI before August 6, 2007.

If you have any questions, please contact EWRI at ewri@asce.org.
