

**Randolph W. Tucker, P.E.** is Executive Vice President and Chief Strategy Officer of The RJA Group, Inc.

His professional experience includes the development and implementation of fire safety master plans for a broad range of commercial, industrial, institutional, and transportation projects in over 30 countries around the world.

He is a member of the NFPA Board of Directors and serves on several NFPA technical committees including the “Uniform Fire Code” (NFPA 1), the residential sprinkler standards (NFPA 13D and 13R), HVAC systems (NFPA 90A and 90B), “The Life Safety Code” (NFPA 101), and the “NFPA Building Construction and Safety Code” (NFPA 5000). He has been a member of the smoke management systems committee (NFPA 92A, 92B, and 204) for many years and has recently been appointed Chairman.

He is a Professional Member of the International Code Council where he served for four years as a member of the International Fire Code Development Committee.

He is a Fellow in SFPE and serves as a Governor of the “SFPE Educational & Scientific Foundation”.

Mr. Tucker is a registered professional engineer in several states. He has a Bachelor of Science degree in Fire Protection Engineering from the Illinois Institute of Technology and a Master of Management degree from Northwestern University.
