NOTE: \*\*Affiliate Organizations: CASE, CSCE, IABSE, IStructE, SEABC, and SEAW.

## Corporate Registration Package Option Opportunity

Recognizing that companies need to balance educating their employees against non-billable hours spent out of the office, SEI is again offering a **Corporate Registration Package Option** for the 2008 Structures Congress. This package provides a special discount rate to a company, organization, or university that purchases a minimum of four "Corporate" Registration Badges that are tagged to the company rather than to an individual. Each badge can easily be passed among various employees, to enable full-day or partial-day attendance at the Congress, depending on the needs and interests of the individuals.

**The Corporate Registration Package fee for 4 Corporate Badges (minimum) is \$1,000. (Additional Corporate Badges may be purchased for \$250 per badge.)** This is less than half of what you would pay to send four of your staff to the Congress with a Full Registration. The bearer of the Corporate Badge is entitled to attend any or all of the Congress Technical Sessions (excluding Pre-Congress Workshop/Seminars) and gains full access to the Exhibit Hall, with continental breakfasts and refreshment breaks. (Tickets for luncheons, receptions, dinners, tours, and Pre-Congress Workshop/Seminars may be purchased separately.) One copy of the Congress Proceedings is included with each Corporate Package.

Attendance at Congress Technical Sessions earns participants Professional Development Hours (PDHs), nationally recognized units of record in non-credit education programs. Corporate Registrants may earn up to 24 PDHs for attending the full program that includes the Pre-Congress Workshop/Seminars and the maximum number of choices among the more than 100 high-quality technical sessions offered in 10 concurrent tracks over two and a half days.
